Suggested improvements of the social security model

Country (region)
The most important proposed solutions
Give a description of received proposed solutions. From which country? How extensive or comprehensive? What concern?
If the proposed solutions are the same as in your country?
<input type="checkbox"/> Yes
<input type="checkbox"/> No
Possibility to implement in our country
Give a short assessment of possibility to implement the proposed solutions in your work, in social security system in your country, in other institutions work, etc.
Is it something new, or rather improvements or existing solutions?
Needed changes
What is need to implement the proposed solutions to your work, in social security system in your country, in other institutions work, etc. How legal status should change? How mentality of people should change too? Etc.
